

Greenon High School Dance Agreement Form

1. Student Dance Agreement Form

*Each attendee must read the Dance Guidelines and sign the Student Dance Agreement Form prior to purchasing tickets

*Parents and students must also acknowledge and accept the policy by signing the agreement.

*This form must be submitted to the ticket seller at the time of purchase.

2. Ticket Sales

*All tickets will be available for purchase one week in advance of the dance.

*Upon purchasing tickets, the ticket seller will record the names of both attendees on a spreadsheet.

*Upon entering, students must initial on the attendee sheet to confirm entrance.

3. Outside Guests

*Students choosing to bring a student from outside of the school population must complete the Outside Guest Form and the Student Dance Agreement Form prior to purchasing tickets.

*Both the GHS student and the guest must each complete the Student Dance Agreement Form.

4. Dance Dress Code

*Girls may wear strapless, spaghetti straps, or halter-top dresses, and the dresses may reach no higher than the mid-thigh.

*Students are expected to maintain a high level of self - respect in both dress and behavior at all times.

5. Dancing Policy

* Each student must have their hands visible and not on the floor.

* For slow-tempo songs, dancing partners must face each other. For fast-tempo songs, dancing partners may face each other or face back to front. However, you cannot grind or touch in ways associated with grinding.

6. Breathalyzer Policy

*Students who attend Greenon High School dances will be subject to a random Breathalyzer. The Breathalyzer devices can detect any presence of alcohol. Upon entering the dance, students will pick a chip out of a bag. If a red chip is pulled, the student will be required to take a Breathalyzer in order to enter the dance. If a student pulls a white chip, the student will not be required to take a Breathalyzer and will be permitted to enter the dance.

*If a Breathalyzer test comes back positive the student will be escorted to the office where the matter will be handled accordingly. A student, who had a positive test and denies being under the influence of alcohol, can request to have another Breathalyzer done with a device other than the one that indicated a positive result. After tests have been completed, if alcohol is being detected and the student still denies they are under the influence of alcohol, the student can request law enforcement administer a Breathalyzer.

*If a student refuses a Breathalyzer test, they will not be permitted to enter the dance, and they will be taken to the office for a determination of the situation. Those students will not be allowed to leave until having a meeting with a school official and contact has been made with the parent/guardian of the student.

*All outside guests will be required to take a Breathalyzer test. Refusal to take the test will result in the guest and the Greenon student not being permitted to enter the dance. The Greenon student will not be permitted to leave the dance until their parent comes to the school and picks them up.

*This process is designed to provide a safe and enjoyable environment for our students.
